Published on Fidel Castro, soldado de las ideas (<http://www.comandanteenjefe.biz>)

“Another terrible problem that we are suffering (...) is that of the aggression to our national identities, the ruthless aggression to our cultures, as never before in history, the trend towards a universal monoculture. How can anyone conceive such world? It is not a world order that combines the wealth and culture of many countries, but a world order that, by definition, destroys culture, a globalization that inevitably destroys culture.”
