

[July 19, 1955](#)

- He meets Argentinean doctor Ernesto Guevara in the small apartment located at Emparan 49-C, which is the domicile of Maria Antonia Gonzalez. Che recounted that meeting in his writings: "***I met him on one of those cold Mexican nights, and I remember that our first discussion was about international politics. Within a few hours -by dawn- I was one of the future expeditionaries.***"
